As a matter of policy, we at Fertur Peru Travel strongly discourage our clients from sending us any sensitive personal information that we may require, such as scanned passports, visas, payment information, etc., as an attachment to an open email. For secure transfer of your sensitive data, Fertur has a commercial account with Hushmail.com, which allows you to send us files over an encrypted server, converting your information into code that cannot be intercepted or deciphered by a third party. From this encrypted Web form, you can quickly and securely send us your information in just a few easy steps.
